SECTION II - SCHOLASTIC INFORMATION

PRINCIPAL'S HONOUR ROLL AND HONOUR BOARD

A **PRINCIPAL'S HONOUR ROLL** is published by the administration twice a year - at the end of January (Semester 1) and at the end of June (Semester 2). The Honour Roll is a listing of the students who have achieved an overall average of 80% or better with no mark below 60%. In order to be named to the Honour Roll, you must be enrolled in at least three courses in a semester. The Honour Roll will be posted in the school for each semester and students' names entered into the yearbook.

GRADUATION REQUIREMENTS

All students now require a minimum of 30 credits for graduation. This is due to the Provincial Government's decision to increase the number of Physical Education credits for Manitoba students. The credits are composed of compulsory and optional courses as defined by Manitoba Education, Citizenship and Youth. A credit is gained upon successful completion of a course of study, which includes

110 - 120 hours of classroom instruction. Students must pass a course in order to obtain a credit and to move on to the next level. The majority of courses are given a value of one credit.

CHALLENGE FOR CREDIT

Students enrolled in Grade 9 to Grade 12 courses in River East Transcona School Division may challenge for credit any Manitoba curriculum that is taught in the Division. This opportunity is intended to permit students in unique circumstances to demonstrate that they can meet the outcomes of a particular course. Students wishing to challenge for credit will be required to demonstrate that there is a reasonable expectation that they will be successful in their challenge. Students interested in learning more about the challenge for credit option should see an administrator or guidance counselor in their school.

COMMUNITY SERVICE STUDENT INITIATED PROJECT CREDIT

Students who are enrolled in Grade 9 to Grade 12 courses in River East Transcona School Division, and who participate as volunteers in worthwhile causes or organizations, may be eligible for a Community Service Student Initiated Project Credit. This credit is based upon the civic skills, knowledge and attitudes obtained by the student through his/her involvement in the community service activity. Students interested in this credit should see an administrator in their school prior to beginning the activity.

AWARDS & SCHOLARSHIPS

Various certificates, awards, scholarships and the Governor General's Medal are given out at Convocation to graduating students who have exhibited excellence in the academic and vocational areas of study. Students may also apply for various other awards and scholarships available through post secondary institutions, business and private organizations. A list of scholarships and awards is available in the guidance office. A counselor is available to help students with the application process. A Student Recognition Evening is held in mid-June. Athletic awards are given out at the Athletic Banquet in June.

PROGRAMS

Academic and *Technology Education Diploma* programs are offered at Kildonan-East. A *Dual Diploma* may be obtained by combining university entrance and technology courses. *Advanced Placement* courses are available and, upon successful completion, a credit may be earned for the first year university equivalent in that particular subject. Certificate programs (clusters of 4-6 credit courses in specialized areas) are offered in: Biomedical Internship, Information Technology. Complete information regarding courses and programs can be found in the Program Information and Course Descriptions Book, which can be obtained from Guidance Counselors or Teacher Advisors.

SECTION III - COMMUNICATION

FIPPA (Freedom of Information and Protection of Privacy Act) Regulations

Written permission from any student who reaches the age of majority during the school year is necessary prior to the release of information on their school progress. The Freedom of Information and Protection of Privacy Act precludes schools from disclosing information on a child who has reached the age of majority. Students and parents of students who will reach the age of majority during the school year will be contacted in the month of the student's birthday. Students must sign a waiver form authorizing the school to continue to contact parents with information about academic progress, attendance, and behaviour. Failure to sign the waiver form results in restricted access to the information. (For example – teachers may not contact parents directly with academic concerns unless the student has waived the privacy restrictions in writing.)

NEWSLETTER

A newsletter containing a calendar, announcements regarding events, references to policy, and news about the students, staff and school in general, is sent out to parents a minimum of four times a year.

STUDENT/PARENT/TEACHER CONFERENCES

Parents and students are encouraged to attend the Student/Parent/Teacher conferences. The dates for the interviews are published in the newsletter and in this agenda book.

TELEPHONE INTERVIEWS

Teachers will call parents to report about student attendance, progress or behaviour. Parents may call the teachers or administrators if they have any concerns.

K.E.C. ANNOUNCEMENT SIGN

Upcoming events as well as congratulatory notices are posted on the K.E.C. sign located in front of the school.

AUTOMATED TELEPHONE MESSAGE

From time to time the school may inform parents of special events through the use of an automated dialer and message delivery system.

PARENT ADVISORY COUNCIL

The Kildonan-East Parent Council supports, advises and promotes the goals and objectives of Kildonan-East towards the betterment of the students and the community. The Parent Advisory Council meets approximately eight times a year.

SECTION IV - STUDENT RESPONSIBILITIES

STUDENT FEES

Student fees are payable on the first day of school for Grade 9 and 10 students and during the course selection process for Grade 11 and Grade 12 students. The \$45.00 student fee covers the cost of a yearbook, locker, agenda book, student I.D. card and refundable caution fee.

Refunds will be issued to students who withdraw from school during the first month only. Caution fees are refunded to students who transfer to another school.

TEACHER ADVISOR SYSTEM

Teacher Advisor groups are organized so that all students in the group are of the same grade level. Teacher Advisors stay with the same group of students for the three or four years that the student attends Kildonan-East. The role is to act as an advocate for the students and to assist students in personal, social and career development.

ATTENDANCE SYSTEM

A student's attendance at school has a direct effect on his/her achievement. Therefore, to maximize achievement, students and parents should make every effort to restrict absences to those which are **unavoidable**. This models the accepted practice in any workplace situation. The staff of Kildonan-East Collegiate will make every effort to assist students in minimizing the effects of any **unavoidable** absences. Some absences may be avoided by scheduling appointments (e.g. medical, legal, etc.) outside of school hours, or on days when classes are not in operation (e.g. Administration or Inservice Days; see calendar Page 7).

Grade 9 and 10 students may not drop or withdraw themselves from any classes. All students must be enrolled in a minimum of 3 courses/credits per semester unless fewer are required for graduation. Failure to abide by these course load restrictions may result in withdrawal from school.

Students who do not demonstrate progress, due to poor attendance and/or poor effort, over a reasonable period of time, may be asked to leave the school.

The Attendance Policy at Kildonan-East Collegiate includes the following:

- a) The total number of absences that will result in a student being withdrawn from a course will include both explained and unexplained absences.
- b) The dialer will contact the parent(s)/guardian(s) after each absence for students in Grades 10 – 12.
- c) For Grade 9 students only, a personal call-back system is used in the morning and the afternoon.

- d) When a student reaches **3** absences in a course the classroom teacher will contact the parent(s) or guardian(s) of the student.
- e) When a student reaches **5** absences in a course, a letter will be sent to the parent(s)/guardian(s). A letter is sent home only for the first course in which the student accumulates **5** absences.
- f) Upon the **8th** absence in a course, a student may be withdrawn from the course or placed on an attendance contract. A letter will be sent home advising them that their son/daughter maybe withdrawn from a course.
- g) The subject teacher will inform the student that they have **8** absences in the course and that the student may be withdrawn. Students who have reached **8** absences in a course may appeal their withdrawal from the course.
- h) Students who violate the appeal contract will be referred to the administration and may be withdrawn from the course.
- i) Upon the **12th** absence, a student may be withdrawn from a course or school.
- j) All absences must be explained within 2 school days.
- k) Students who withdraw or are withdrawn from a course and who wish to take the course again need to see a guidance counsellor. The student's name will be placed on a waiting list and he/she will be re-enrolled in the course for the following semester on a space available basis.

LATES

- a) Students are expected to be in class on time.
- b) Teachers will discuss concerns about chronic lateness with students and will contact parents when necessary.
- c) Students who are chronically late may be referred to administration.
- d) Administration may withdraw students from courses if interventions due to chronic lateness have not been successful.

EXPLANATION OF ABSENCES

All absences from class(es) must be explained within two school days.

Parents are asked to phone the school's Absence Line - 669-6036 - before or during the day of each absence to confirm and explain the absence.

We require the following information:

- Student's Name
- Student Number
- Day and Date of Absence
- Explanation
- Identity

Students who are 18 years of age or older may make their own phone calls to the Absence Line. If consent for parent communication has been granted, the school may consult parents to confirm these calls.

STUDENT DRESS CODE

Parents and students should be aware of the following River East Transcona School Division policy with respect to student dress.

- (1) Students shall dress in a manner that is appropriate for a learning and working environment. Parents and students are responsible for appropriate student attire.
- (2) In keeping with the division's objective to make all students and staff feel safe, welcome and comfortable in the River East Transcona School Division, offensive images such as inappropriate slogans, racist, sexist or demeaning pictures and/or words on clothing, handbags, backpacks, etc. are not permitted.
- (3) School administrators will have the authority to address inappropriate attire in their schools.

(Refer to RETSD Policy JICA)

The school environment is a work environment for learning where clothing should not be a distraction to student learning. Short shirts, muscle shirts and bare midriff are not appropriate dress for school. More specifically, shirts must meet the waistline; the neckline must be of a modest nature that provides appropriate cover to the upper body. Shirts must have shoulder straps a minimum of half an inch (no strapless or spaghetti straps). Hats are to be removed while in the building (bandanas, toques, and all other headwear are considered hats and are not permitted).

PROACTIVE STRATEGIES

The teaching and learning of expected student behaviour forms the cornerstone of a proactive, preventative approach. The following are the key components in promoting a positive school climate:

- schools will participate in creating a positive school culture.
- staff and parents/guardians will encourage participation in activities that promote a safe, respectful and caring environment.
- school plans will reflect outcomes related to positive school culture.
- schools will implement a continuum of school-wide behavioural supports.
- schools will develop, maintain and strengthen their working relationships with parents, community members and organizations.
- schools will employ active supervision.
- schools will implement validated prevention and intervention programs.

INTERVENTION STRATEGIES

The Division believes that effective student management teaches students appropriate behaviour and incorporates an appropriate range of consequences.

The division will apply a wide range of consequences for behaviour that interferes with safety, learning and work. Which consequences are applied will depend on the severity of the incident, the diverse needs of the student, and the frequency of the behaviour. The following is a list of some options available when working with students regarding their behaviour:

Informal Interview

School personnel talk with the student to reach an agreement regarding the student's behaviour. The parent/guardian will be contacted as required.

Parental Involvement

Contact is made with the parent/guardian to discuss the specific behaviour of the student and steps that are necessary to change behaviour. The nature of contact could vary from a telephone conversation to a formal conference at the school with parent/guardian, student and school personnel.

Formal Interview

A conference is held with the student, the school team and the parent/guardian to develop a plan for changing the student behaviour.

Support Personnel Involvement

The school support team may consult with divisional support personnel when developing a behaviour intervention plan (BIP). Parents/guardians will be involved.

Detention

The student is detained at school for inappropriate behaviour. When such detention exceeds 15 minutes beyond the regular school hours or causes a student to miss a school bus, the parent/guardian must be informed.

Withdrawal from Classroom Setting

When inappropriate behaviour is deemed to have a negative impact upon the classroom environment, the student is temporarily removed to an alternate supervised location to complete his/her assignments.

Removal of Privileges

Privileges are removed under certain circumstances. These can include access to the school grounds, library, cafeteria or lunchroom, or participation in extracurricular activities.

Restitution

The student and/or parents/guardians are required to compensate for damages caused by the student.

Behavioural/Performance Contract

In some instances, the student may be required to meet specific behavioural outcomes that are identified in a written contract. Such expectations are developed and agreed upon by the school, the parent/guardian and the student. Such an agreement is documented, with copies provided to all concerned parties.

Child Guidance Clinic and Student Services Unit

Personnel may become involved to assist in developing appropriate proactive and reactive approaches for unacceptable behaviour. Such involvement may include placement in an alternate or treatment center if deemed appropriate.

Outside Agency Involvement

In some circumstances, the student's behaviour may involve the violation of the law (e.g., drugs, theft or assault) and police involvement will be required;

parents/guardians will be informed immediately of any such action. Other circumstances may require a referral to Manitoba Child and Family Service. In all circumstances, the safety of the student and others will be the key factor for determining such action.

In-School Suspension

School administrators may assign a student to an in-school suspension. Teachers will provide students with appropriate work during the in-school suspension. Parents/guardians will be contacted when such action is taken.

Suspension

Suspension is the temporary stopping of a student's right to attend school classes. When a student's conduct is deemed injurious to the welfare of the school or injurious to the school's educational purpose, suspension is sometimes necessary to ensure the safety of other students in the school. Suspensions are applied when other disciplinary measures have been found to be ineffective or when the student's behaviour disrupts the learning of others, endangers fellow students, teachers, or school officials or damages property.

(Refer to RETSD Policy Manual, Policies JKD Student Suspension and Expulsion, and JICH Alcohol and Other Drug Use by Students)

Expulsion

Expulsions are applied when a student's behaviour has been a serious danger or other students, teachers, school officials or school property, or when the behaviour has been shown to be habitual. Expulsion is a function of the Board of Trustees.

(Refer to RETSD Policy Manual, Policies JKD Student Suspension and Expulsion, and JICH Alcohol and Other Drug Use by Students)

Threat Assessment

The purpose of the threat assessment process is to use the best knowledge, skill and experience available to assess high-risk threatening behaviours so that appropriate interventions can be identified to protect individuals from harm and to ensure a climate of safety in schools and the community.

In the event that such a situation arises, the resulting investigation will be extensive in scope and may include the involvement of agencies such as the Child Guidance Clinic, the police and others. Any child who poses a high risk to self-harm or who threatens harm to others will undergo an intense investigation.

All high-risk behaviours will be taken seriously and high-risk students will be assessed accordingly. When a high-risk threat to self-harm or to harm others occurs, it is essential to assess safety, to put in place the required interventions to ensure safety, to analyze appropriate next steps, and to determine appropriate consequences. No student who has posed a threat of harm to him/herself or to others will be permitted to attend school until safety is assured.

This information serves as *fair notice* that incidents of threat to self-harm or to harm others will be actively investigated. Because of the serious nature of such incidents, the investigation will continue even if the parent/guardian cannot immediately be contacted. Continued efforts will be made to contact the parent/guardian.

APPEAL PROCESS

River East Transcona School Division recognizes that, on occasion, concerns may arise. Students or parents/guardians of students may raise their concerns or appeal decisions as follows:

- a. The decision of a teacher is first to be discussed with the teacher. If the parties are unable to come up with an agreeable solution, this decision may be appealed to the principal.
- b. The decision of the principal may be appealed to the superintendent.
- c. The decision of the superintendent may be appealed to the board of trustees. A letter outlining the concerns should be sent to the board of trustees in care of the board chairperson.

(Refer to RETSD Policy Manual, Policy BEDH *Public Participation at Board Meetings, Section 3*)

KILDONAN-EAST COLLEGIATE POLICY ON APPROPRIATE USE OF COMPUTERS

Kildonan-East Collegiate provides and maintains a network of over 175 computers, plus other stand-alone computers, to support students in their learning and staff members in their teaching. It is critical that this system remains fully operational every day.

Inappropriate use of the computers can lead to disruption of teaching and learning, and result in many hours spent solving and fixing problems. Therefore a strict policy regarding inappropriate use of computers will be enforced.

Inappropriate use of computers includes (but may not be limited to): tampering, defacing or physically damaging equipment, damaging files, network/workstation “hacking”, use or **possession** of a computer virus program, “hacking” program, or trojan program, use of computers to “hack” other systems.

Any student who is involved in the inappropriate use of computers may face any or all of the following consequences:

- loss of computer privileges
- suspensions or withdrawal from the class
- suspension or withdrawal from school
- referral to Superintendents’ Office
- referral to the justice system

All students are encouraged to report any activity of this type to the teacher or administrator. Please help to keep our computers and network environment in good health!

(Refer to RETSD Policy IJND)

KILDONAN-EAST COLLEGIATE APPEAL POLICY FOR STUDENT GRADES

Students at Kildonan-East Collegiate can request the re-evaluation of a grade for a major assignment, a test or an examination. The following information outlines Kildonan-East Collegiate’s policy with respect to the re-evaluation of student work.

- To request the re-evaluation of an assignment, a test or an examination result, the student must talk to his or her Subject Teacher or the Department Head within one week of receiving the grade or mark.
- The calculations that generated the mark on the student's assignment, test or exam will be first checked for errors.

- If there is a mark change to be made, the Department Head will ensure that the appropriate steps will be taken to record the new mark.
- Students whose papers are re-marked shall be notified of the results of the re-evaluation in a timely manner by the Subject Teacher. Students who request a re-evaluation of an assignment, test or examination should be aware that the mark awarded by the Re-evaluation Committee will be the final mark, whether it is higher or lower than the originally contested mark.

SEARCH AND SEIZURE

The River East Transcona School Division policy on searching students and/or their personal effects is based on the need to maintain order and provide a safe environment for all of our students. There are specific guidelines to be followed when school administrators (or designate) intend to conduct a search. School administrators must have reasonable grounds to suspect that a student is in violation of a Board Policy, or poses a threat to the proper order and discipline of the school, before performing searches. Lockers and desks are school property and as such are subject to inspection by school authorities at any time without notice, without student consent and without a search warrant, whenever a school authority has reasonable cause to believe that such a search is necessary. Student vehicles parked on school property are also subject to the same inspection. Student's personal effects may be searched and students can be required to empty their pockets or remove their shoes and socks. Staff will not directly search the student and only the Principal or designate may authorize a search of a student's clothing or possessions. School authorities will assign such disciplinary consequences or law enforcement involvement as deemed appropriate by the results of the search and within the context of Board Policy.

Students are required to return their lunch trays to the cafeteria and to place all garbage in the provided receptacles. Students violating hallway rules during the lunch break will be subject to disciplinary action, including exclusion from the school. Visitors are not allowed on campus during school hours or the lunch break.

STUDENT UNASSIGNED TIME

It should be emphasized that it is the responsibility of each student to organize and utilize his/her unassigned time in a manner that will help to improve the student's performance in his/her educational program. During unassigned time, a student may study in the library or work in the cafeteria. Working in these areas will ensure that no classes are disturbed. We cannot take responsibility for students if they leave the grounds during lunchtime, spares, etc.

AUDIO DEVICES

Portable audio devices, such as mp3 players, are not to be used in class unless their use is part of an academic program.

PAGERS/CELL PHONES AND ELECTRONIC COMMUNICATION DEVICES

The River East Transcona School Division recognizes that the use of cellular phones, camera cellular phones, personal digital assistants (PDAs), pagers and other electronic communication devices is continuing to grow and expand. Furthermore, the division recognized the value of such electronic communication devices to students, families and schools.

It is the intent of this policy to manage the use of these electronic communication devices in the school to prevent interference with teaching and learning opportunities.

This policy applies to the formal school day, including school-sponsored events, e.g. intramurals, extracurricular activities and field trips.

All electronic communication devices must be kept out of sight and turned off while on divisional transportation, during school programs/presentations and in the classroom except when used with the prior permission of the teacher/school for the purposes of calendaring, calculating, note taking or other activities as directed by the teacher/school. Unauthorized use of these devices disrupts the instructional program and distracts from the learning environment.

The use of electronic communication devices to invade personal privacy or contribute to behaviour that is injurious to another will be addressed through the divisional Code of Conduct.

Students who use an electronic communication device to send or receive personal messages, data or information that would contribute to or constitute cheating will be subject to consequences as determined by the school.

School officials, including classroom teachers, may confiscate electronic communications devices from students if they are used for an authorized purpose or at unauthorized times. Repeated unauthorized use may lead to further action as determined by the school.

The River East Transcona School Division will assume no responsibility in any circumstances for the loss, destruction, damage or theft of any electronic communication device or for any communication bill associated with the unauthorized use of such devices. Students and families are responsible for locating such lost or stolen items.

(Refer to RETSD Policy JIC-J)

SCHOOL VISITATIONS

Students who wish to visit other schools in River East Transcona School Division for non-school related activities must first receive permission from the administration of that school for their visit. Failure to follow this procedure or failure to behave in a responsible manner while at the school will result in disciplinary measures up to and including suspension from school.

DISRUPTIVE SCHOOL VISITOR(S)

The schools of the River East Transcona School Division are places of learning, teaching and reflection, where differences are resolved through processes that model civil behaviour and demonstrate an abhorrence to violence and the threat of violence. The River East Transcona School Division believes that all students and staff have the right to work in an environment that is safe, secure and non-threatening. Moreover, all staff have a responsibility to ensure that all working environments in the River East Transcona School Division are safe, secure and non-threatening.

The River East Transcona School Division does not excuse or countenance any form of verbal abuse or threats to its students or employees. Accordingly, any individual who disrupts the orderly environment of Kildonan-East Collegiate or who threatens students or staff of Kildonan-East Collegiate will be asked to leave the school and may be charged under the appropriate section of the criminal code.

that messages will reach the proper destinations.

SECTION V - SAFETY REGULATIONS

EVACUATION AND LOCKDOWN DRILLS

Evacuation Drills are conducted on a regular basis. Fire is a constant possibility in a school such as ours and fire drills must be taken seriously. All students and staff must leave the building during an evacuation drill and they must proceed to exits as quickly and as quietly as safety will permit. The school may be re-entered when the school bell is rung or the appropriate signal is given. Fire exits are posted in each area.

In order to further ensure the safety of our school community, the practice of school-wide lockdown drills will be implemented during the school year. The expectations and procedures for these drills are clearly outlined in school/divisional documentation. This information will be shared and understood by all members of our school community.

TECHNICAL AREAS

Many of the Technical areas and science laboratories contain equipment that can pose a serious hazard to students and staff. Students in the Auto Body and Power Mechanics shops are required to have safety boots and overalls. Students in the Carpentry and Climate Control Technology shops must have safety boots and safety glasses. Students must wear the safety equipment required by their vocational area. Failure to do so may result in withdrawal from the program. Students are provided with lockers in the shop area where their shop and street clothing may be kept.

ACCIDENTS

A list of first aid providers is posted in each area. When an accident occurs, the appropriate first aid will be administered to ensure that the student is in no danger. In the case of all accidents, the parent will be contacted either by the teacher in charge or an administrator depending on the severity of the injury. The administration will generally decide on the most appropriate mode of transporting the student to professional medical care. Confirmation will be obtained from the parent that suitable action is being taken, and an accident report will be filled out promptly.

STUDENT ACCIDENT INSURANCE

Students may enroll in the group Student Accident Insurance program. Forms are available in September from Teacher Advisors. Students involved in sports and in the shop areas are encouraged to enroll in the plan.

PERSONAL INFORMATION

Where personal information is requested on (application) forms, only minimum

amount of personal information required for the stated purpose will be requested/collected. Should you have any concerns regarding the information you are asked to supply, please contact the Records Officer at 667-7130 ext. 2226.

SCHOOL NEWSLETTERS

Profiles on individual students will be distributed to other facilities including other schools, Transportation Department, Administration Offices, trustees and as well, may be posted on the schools' website.

YEARBOOKS

Middle and senior years schools produce and publish yearbooks annually. These may be retained in school libraries as memorabilia and are sold to past/present students, parents and faculty.

STUDENT PICTURES

To assist in ensuring the safety of the students in our school, we will include a photograph of all students in our secure school computer administration system(s). Should you have any concerns regarding this practice, please contact the school administration.

In order to make staff aware of students with severe medical alerts, pictures and conditions are posted in non-public domains (i.e. staff rooms) throughout the school. Efforts are made to ensure the health information contained is pertinent and available only to individuals who require it. Should you have any concerns, or require additional information, please contact the principal or nurse educator.

KILDONAN-EAST COLLEGIATE LIBRARY SERVICES AND RESOURCES

The Library offers a wide range of services and resources to meet the informational and recreational needs of all K.E.C students. Assistance in the location and use of the resources is available throughout the school day. Students are scheduled during classes in the library to learn information literacy skills, which will enable them to become efficient at locating appropriate resources to meet their information needs.

There are a variety of electronic resources available through the K.E.C. Library Homepage. They can be accessed outside of the school through any computer that has the internet. To access them directly go to the KEC Homepage, and pull down the Library Page on the menu.

CAFETERIA

The Food Service sector has become one of the fastest growing industries in Canada, and because of this there is a tremendous shortage of well-trained entry-level Cooks and Bakers. When students are issued texts they are expected to take proper care of the books. If a book is lost or excessive or willful damage occurs, the student will be assessed a fine.

LOCKS AND LOCKERS

Students must obtain a locker for storing books, school materials and clothing. Teacher Advisors assign lockers and combinations in early September. Lockers are not a guarantee of protection and the school can assume no responsibility for loss of property. **Students are strongly advised not to leave money or other valuables in lockers.** Students are required to clean out their lockers and hand in locks prior to summer break. For students in Physical Education classes, lockers are available in the Change Rooms during each class time. Students must put their

own lock on their change room locker at the beginning of the class and remove it at the end of the class each day. Locks left on Change Room lockers at the end of day may be removed by the staff or administration of Kildonan-East Collegiate. Students may purchase gym locks from the Phys. Ed. Staff at a cost of \$5.00. Any locker may be opened and searched any time the administration of the school perceive it is necessary to maintain the health, safety, and security of students and staff.

STUDENT PARKING

Student parking is available only in the student parking lot at the east side of the building. Students wishing to park in this area must register their car with an office secretary. The parking fee is approximately \$50.00 per semester (September to January and February to June) and is non-refundable. The City of Winnipeg Parking Authority may ticket vehicles without valid parking passes. Students are not permitted to park in either the staff lot or the visitor parking lot at the front of the school, or the angled parking spaces in the student parking lot.

SECTION VIII – EXTRA-CURRICULAR ACTIVITIES

STUDENT COUNCIL LEADERSHIP

Being a member of Student Council Leadership (SCL) provides growth and development in leadership, responsibility, and organizational skills. We promote school spirit; encourage democracy and justice at KEC. Its members work closely with staff and students to foster a sense of unity and co-operation among the entire school body. A president and vice-president are elected to provide leadership to members of our team and we work together to encourage improvement within our school and community. A treasure and secretary are elected by members of Student Council Leadership.

ATHLETICS - INTRAMURALS

Intramural activities are offered throughout the year during the lunch period, and are open to all students. They are offered for student enjoyment and students simply sign up as the activities are bulletined. Activities vary throughout the year, basketball, badminton, floor hockey, volleyball and indoor soccer are popular. All students have the opportunity to participate in supervised "open gym" during the lunch hour including access to the weight room.

NATURAL HELPERS

Natural Helpers is a peer helping program designed to serve students who want to strengthen their communication and helping skills, to provide support to others and service to their school and community. Natural Helpers report significant benefits from being involved in the program, whether their involvement is helping one to one, assisting with program coordination, volunteering for community projects, or fulfilling some other role. They also experience the special feeling that comes from helping someone else and knowing that they have made a difference.

AND THERE'S MORE

THE GRAD COMMITTEE is active throughout the year planning not only all of the graduation activities, but also events which help to raise money to subsidize these activities.

K.E.C. students take pride in the *YEARBOOK* which they publish annually.
