

KPAC Junior Varsity Volleyball Schedule 2009

Due to an imbalanced Varsity Tier 1 and 2 schedule and numerous conflicts with tournaments and "no play" dates, there will be a few evenings where triple-headers will occur. A varsity girls' or boys' team will play the same night as a JV double-header.

*** indicates triple-header. **Indicates double header. CC = Cross Country

Check the varsity schedule to see which varsity team(s) is joining the JV teams that evening. In the case of a triple-header, the first JV match will start at 5:00, the second JV match will start no earlier than 6:15 while the varsity match will start no earlier than 7:30.
